

Jean-Matthieu Schaffhauser

Date of Birth : May, 15th 1981 - French
email : jean-matthieu@users.sourceforge.net
Phone: +33 6 30 71 82 01

Oxford Brookes University
Master in Computer Science

Education

2003 / 2004 **Master in Computer Science, Oxford Brookes University.**
Specialization in Distributed Systems and High Speed Networks.
Graduate from Ecole Supérieure d'Informatique de Paris (Supinfo).
1999 / 2003 Ecole Supérieure d'Informatique de Paris - Paris Academy of Computer Science.
1999 French Baccalauréat (High school diploma, Scientific section).

Professional experience

2003/2004 **1-year internship. Apple Computer France. Les Ulis, France.**
In charge of Apple Product Sales' technical laboratory.
Research and development: clustering and parallel computing, distributed filesystems.
2002/2004 **2-year teaching assistantship. Paris Academy of Computer Science, France.**
Unix and Shell programming, Graphical Toolkits for X11R6, Virtual Private Networks.
Trainer for the Redhat Certified Engineer course at Supinfo.
In charge of Supinfo's Unix Technologies Department - <http://www.labo-unix.org>
2002/2003 **1-year part-time employment as a Linux trainer for Linagora. Paris, France.**
Linux trainer at SGI and for the French Ministry of Education. Linux foundation,
kernel programming, firewalling.
Fall 2001 **3-month internship. Samsung MPEON Asia. Beijing, China.**
Assistant project manager, Java development (Content Converter for mobile devices),
Sun Solaris network administration.
Fall 2000 **3-month internship. France Telecom - Rapidlink. Guangzhou, China.**
Client / Server Development. PPP administration on Solaris systems.
Linux / Windows LAN administration with Samba.

Computing skills

Software Design Parallel programming with PVM, MPI and OpenMP.
C, C++, Java, Objective C languages. Qt, GTK+, Cocoa Frameworks.
Operating Systems Advanced Unix knoweldge. Good Microsoft Windows knoweldge.
Database Database normalization, SQL, PL/SQL development, MySQL and PostgreSQL
database administration.
Networking High Speed Networks technologies (FDDI, ATM). Network security.

Opensource projects

PureFTPd Manager <http://www.cocoanut.net/pureftpd>
CocoaJT <http://www.cocoanut.net/cocoajt>

Languages

French Native
English Fluent
Spanish Spoken and written
Chinese Basic communication skills

Additional informations

Guitar player for 11 years. Acted in plays when I was in high school. Fond of nature and moutain biking.
I am up to many challenges and references are available upon request.
